

# The Bandicoots Play Project

**Every Friday  
4:30 - 6:15**

St John's  
Community  
Centre,  
Victoria Road,  
Margate,  
CT9 1LN

## **VACANCIES: Volunteer Play Leaders**

The Bandicoots is open to any 5-8 year old and aims to provide young people with a broad and diverse range of experiences and opportunities to support their holistic development.

To be able to operate we need fun and creative Play Leaders to help us deliver our aims and help turn our vision into a reality.

Volunteers are needed to join the team so we can offer an exciting, safe and fun environment for the young people to be active, engaged and involved in activities.

Activities you might get involved with or lead could be; art, cooking, dance, drama, music, sport or woodwork – whatever interests our young people!

If you enjoy working with young people and want to make a difference this could be the volunteer role for you!

Contact us for more information: we look forward to hearing from you!

**You will be required to have a DBS check.**

**The Bandicoots Play Project is committed to safeguarding and promoting the welfare of children and expects all volunteers to share this commitment.**
