

## REF WORKS

ProQuest  
RefWorks

**Cost:** Free while you're at CCCU

**Access:** Online, but an MS Word plugin can be downloaded

**Pros:** Integrated with many CCCU systems. Can upload PDFs of articles

**Cons:** No mobile app available

---

## MENDELEY

**Cost:** Free

**Access:** Most functions require download

**Pros:** Easy to add references via web browser. Easy access to articles on different devices. Good mobile app available.

**Cons:** Download required for the reference list functions.

---

## ENDNOTE

**Cost:** Web version is free. Software has a one-off cost.

**Access:** Free version online

**Pros:** Integrates really well with Web of Science database.

**Cons:** Free version is comparatively limited. Sharing your references can be complex.

---

## ZOTERO

**Cost:** Free

**Access:** Online

**Pros:** Easy to add references via web browser.

**Cons:** Limited storage space in free version.

---

## PAPERPILE

**Cost:** Monthly subscription

**Access:** Online – web browser extension

**Pros:** Good integration with Google Docs and Google Drive.

**Cons:** Only works with Google Chrome browser.

---
